MYRAH

- A world in its own

We imagine, therefore we are. Welcome to the culmination of our dreams, our inspiration.

Welcome to a world where imagination knows no bounds. Welcome to the world of MYRAH.

Unlimited possibilities with an unparalleled choice of materials, finishes, textures and colours are sure to captivate your senses.

Presenting the future of technology and design that will make you go 'WOW' - every time.

A TOUCH OF INNOVATION FOR A BRIGHTER TOMORROW

Introducing Myrah 'Touch' switches - a new era of futuristic, brighter, smarter and elegant switches, powered by technology to surpass the ordinary.

A perfect mix of State-of-the-art technology & eloquent design - this range is set against chrome edges in mirror black, metal black, metal champagne and metal aluminium. Take your pick from 1, 2, 3 & 4 switches per panel and set the ambiance right at the tap of your finger.

M TOUCH – SILENT SWITCHES THAT MAKE A BOLD STATEMENT

Progression meets perfection with feather touch switches.

Powered with 'M Touch' technology, these touch sensitive range of switches are effortlessly chic and noiselessly blend into your living space.

Switches & Accessories available in Titanium.

WHITE, BLACK, TITANIUM COLORS THAT ADD AN EXTRAORDINARY TOUCH

A work of futuristic art - available in three unique and elegant colors.

WHITE - Timeless yet fresh, white always exudes a clean crisp look.

BLACK - Black is the new black and it will always remain the go to option for edgy design.

TITANIUM - Sleek and sophisticated piece of art that is encapsulated in a flawless glass plate with chrome beveled edges.

Be different, think unique and design with an attitude - choose your canvas and paint your world with our **ACCESSORIES COLLECTION**.

ADORN WITH GLASSY PERFECTION!

Give in to the gleam of glass plates. Ethereally beautiful and sleek in design, flaunt the ever stylish beveled edges or let the free-flowing innovative liquid glass plates, bedazzle you with their shimmer.

THE BRILLIANT SHINE OF ELEGANCE

Switch to the latest trend with an elegance that's both modern yet classic. The new range of Edge Plates with the unique chrome bezel comes in three distinctly innovative shades of Solid White, Chrome Titanium & Chrome Black Plate. Think classy & stylish and choose Myrah, you will simply be amazed.

ELEGANCE ETCHED IN METAL REFLECTED IN YOUR LIFESTYLE

Add a metallic dazzle to your life with the EDGE Metal series or let the glamorous & sleek Mirror finish plates reflect perfection & finesse in living.

Wood Walnut

Vida Glossy : Our glossy range of switches crafted for your living space to outshine.

Vida Metallic Touch : Exuding metallic sophistication, the metallic range adds classiness with its grey & silver plates.

Vida Hairline : Let the textures do all the talking with its unique touch range that blends in the surrounding.

Vida Wooden Series : Inspired by nature's patterns - this range offers wood finish designs in Walnut.

EXPERIENCE SILENCE WITH SILENT ROCKER MECHANISM (SRM)

Listen carefully to the soft sound of silence. Revere the technological excellence as you feel the smooth gliding rocker mechanism. Unique to Myrah. SRM. Soft Rocker Mechanism is a dream rationally irrationalized, a chase to create a breakthrough in technology. Our engineers have designed a precise movement to dramatically reduce the ON/Off sound to 60db.

EXPERIENCE SMOOTH CONNECTIONS WITH DYNAMIC DESIGN SOCKETS (DDS)

Experience the smoothness and the power of longevity with DDS-Dynamic Design Sockets. Myrah sockets are designed to provide you with smooth insertion/removal and a firm grip. Independent part design and spring like material effect eliminate any chance of loose connection ensuring smooth and hassle free operation.

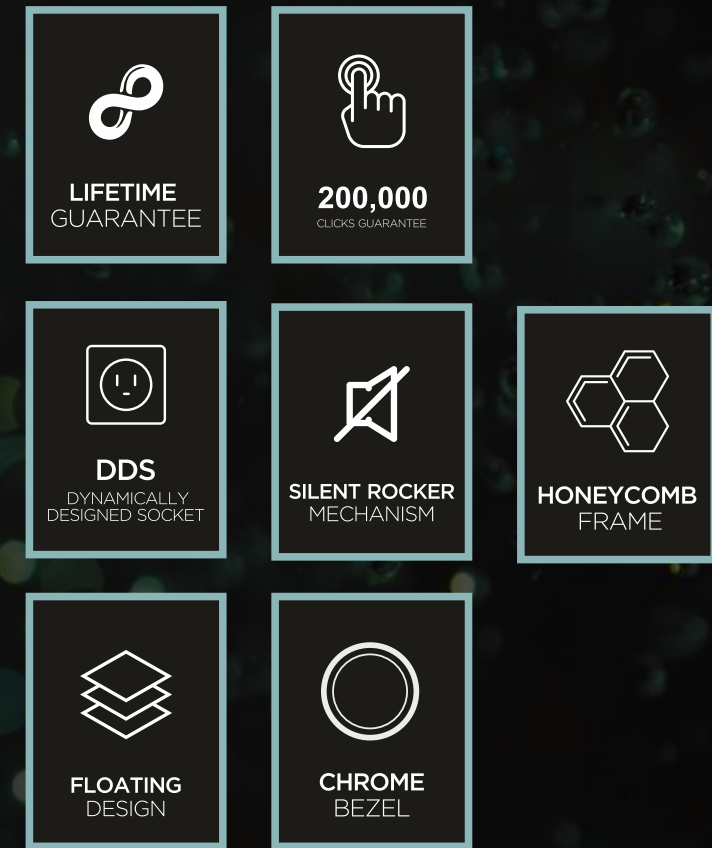

ADDING A HI-TECH TOUCH TO THE HOSPITALITY INDUSTRY

Customers love hospitality that reflects state-of-the-art modernism. Our unique range of stylish touch & designer switches for the industry is truly ahead of its time. LED Indicators, laser engraved symbols and accessories that enhance customer convenience make this series a must have, to add on to the overall experience of customers.
