WELCOME TO  
THE WORLD  
OF TRIVO.

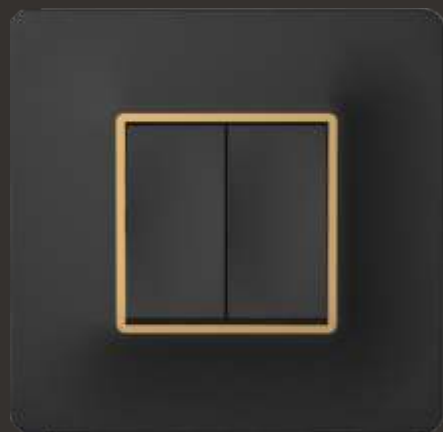

Experience transforming  
your living spaces with  
chrome bezel in  
monochrome and metallic  
finish.

Each a classic, with added  
beauty of shine in - **chrome**.

Two distinct powerful colors of supremacy and elegance.  
Glossy White and Black Matt finish accessories in  
plates with chrome/gold bezel

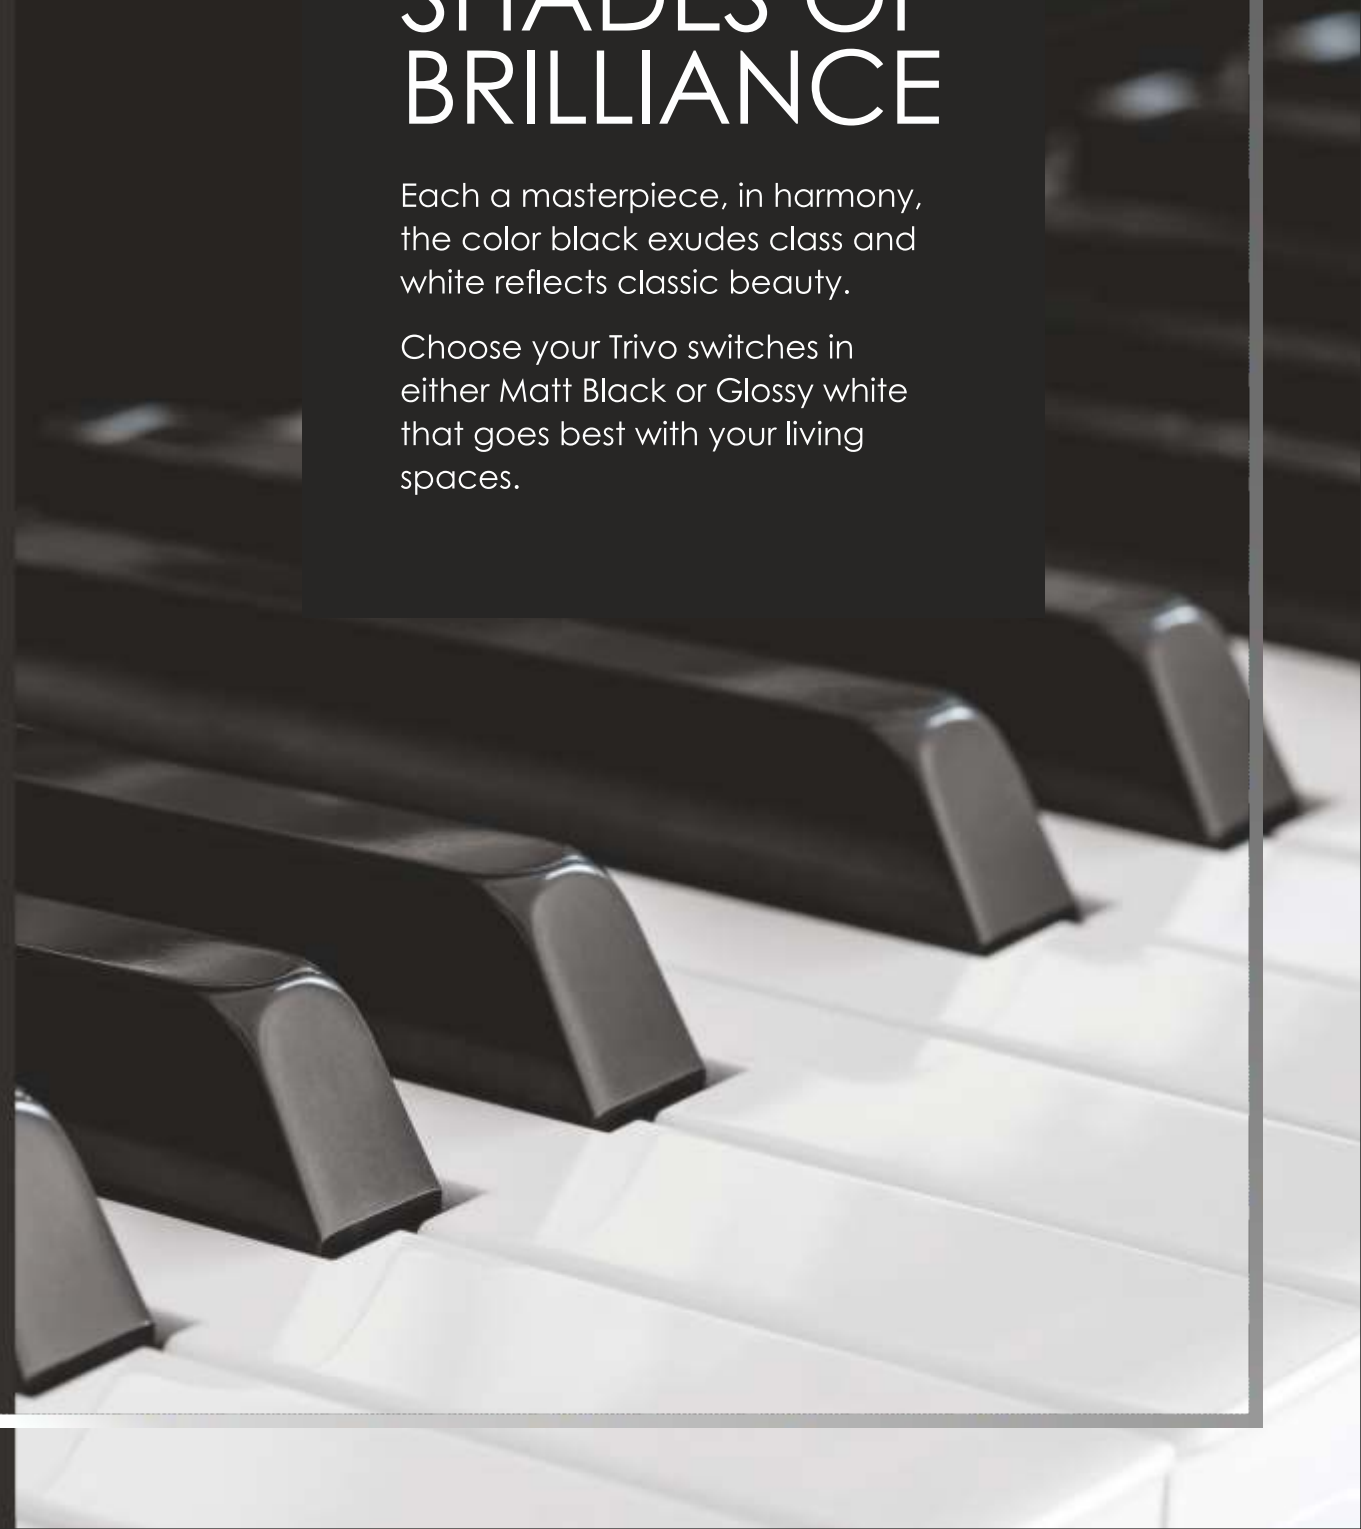

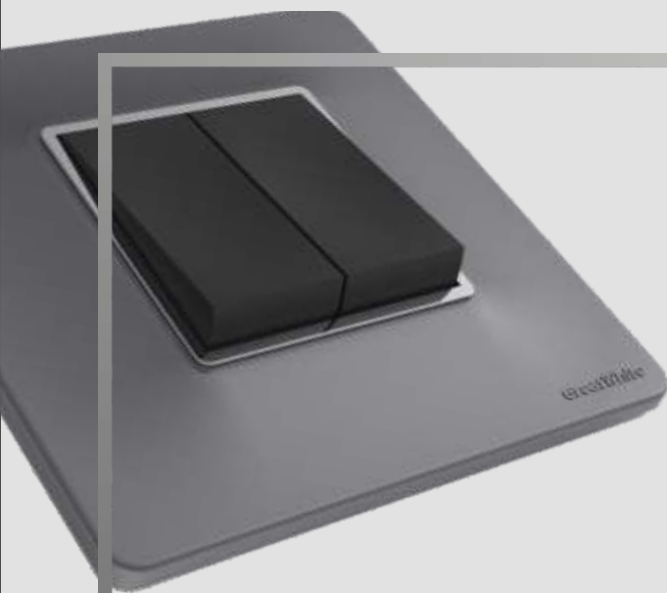

Switches and Accessories in True Matt Black that  
don't fade, peel or chip and have no additional  
coat of paint. Truly Matt black from within

# OPPOSITE SHADES OF BRILLIANCE

Each a masterpiece, in harmony,  
the color black exudes class and  
white reflects classic beauty.

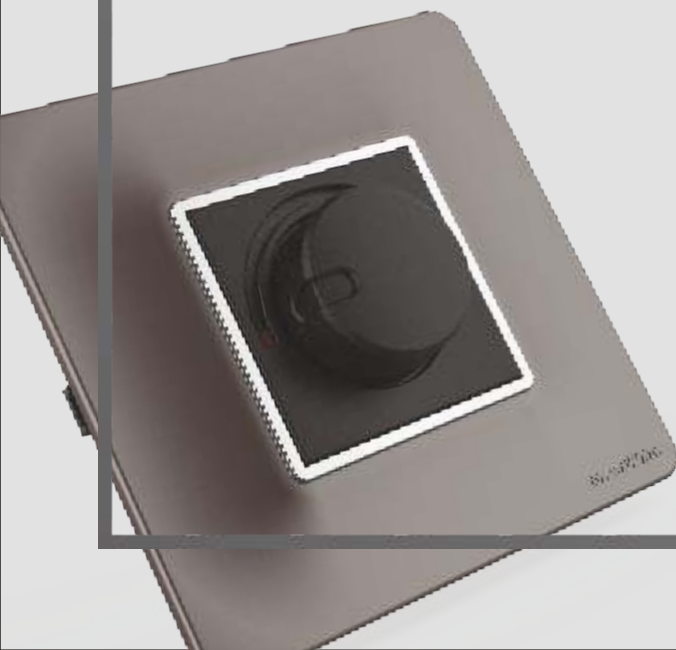

Choose your Trivo switches in  
either Matt Black or Glossy white  
that goes best with your living  
spaces.

### STYLISH CHROME BEZEL

A newly designed tone to make your living space outshine anyone else's. Combining the beauty of chrome bezel and curved contours imparting reflection that mesmerizes the senses.

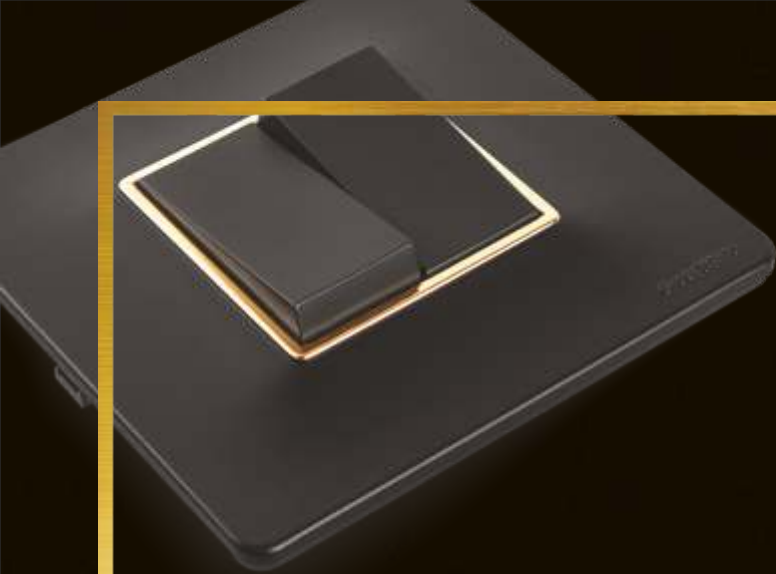

# CHROME IS IN.

It's a futuristic look like no other with a steely, lustrous chrome bezel.

Each Trivo plate texture and color is enhanced with a chrome bezel that looks stunning.

The high polish finish on chrome bezel compliments a wide range of looks and blends perfectly in all spaces.

NO COLOR EXUDES ELEGANCE  
LIKE GOLD DOES.

# GLEAM OF GOLD.

An exclusive combination that marries black with gold bezels elegantly. Enhancing your spaces and adding radiance to the walls with shimmer.

### SLEEK AND SLIM DESIGN

The sleekness adds a contemporary touch. Its slimness makes it blend with any surface of walls.

### CRESCENT SWITCH KNOB

Convenience meets beauty. The crescent knob design makes it a perfect dip to make every click comfortable.

### CURVED CONTOURS

Curvaceous plate, giving a smooth flow from the chrome bezel that reflects light beautifully.

# CUT. CONTOUR. CLASS.

Think elegance, strength and functionality, all in one extraordinary design. Curated with a beveled body and stylish chrome bezels, the cuts exude class and the contours add drama.

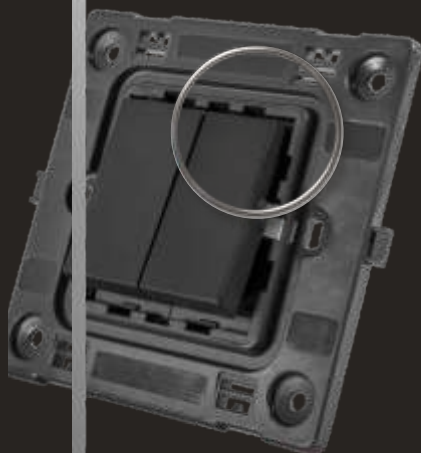

### HONEYCOMB FRAME

A closely-knit texture that provides sturdiness and strength to the whole structure.

### SHUTTER-SOCKETS

Build for safety. All live parts are hidden, which opens only when a plug top is inserted.

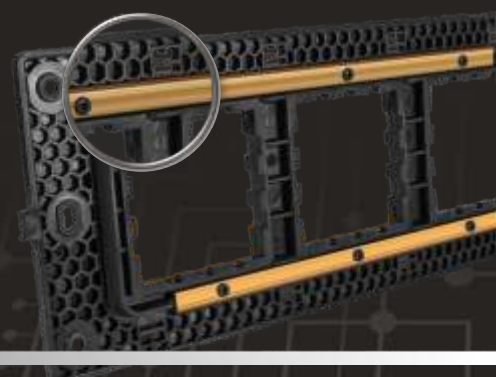

### STURDY UNDER-GROOVE

Adds strength to the frame and holds the modules securely and firmly in their position.

### METAL INSERTS

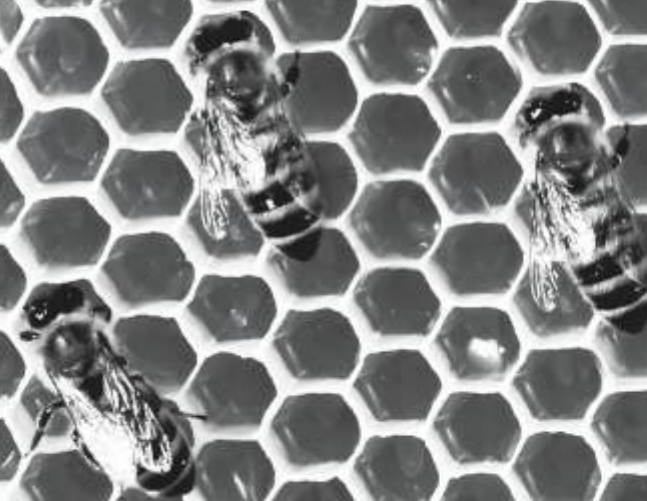

Adds strength to larger frame sizes (6 module onwards).

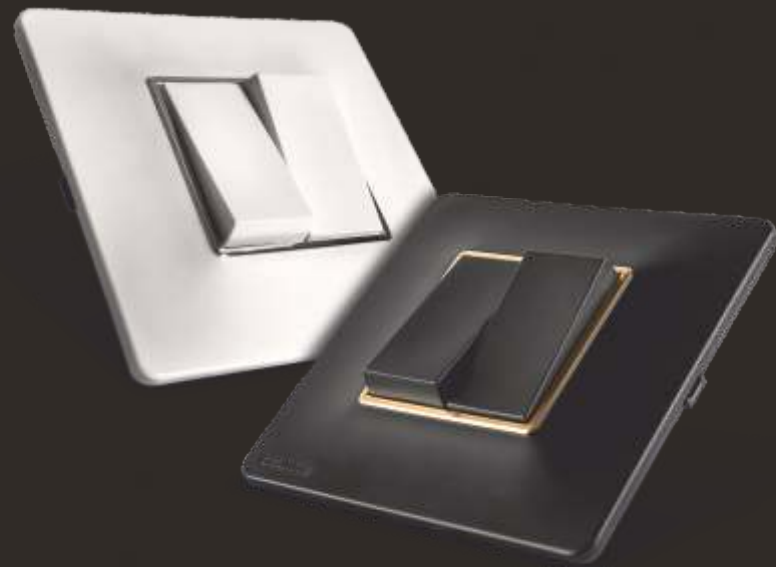

# ROBUST. DURABLE. SAFE.

Entire range of Trivo is carefully designed and crafted for a comfortable and aesthetic experience for lifetime. Exhibiting charm of simplicity with added dash of chrome.

Every touch of the switch is created keeping your comfort in mind.

# SIMPLE. SAFE. CONVENIENT.

Across the range of Trivo, expression of security is neatly interpreted for a seamless and confident experience. Exuding a feeling of technological and aesthetic refinement that charms in its simplicity.
